## *Realm of the Mad God Update by Fulfi*

Good evening, Villoux House of Players. My name is Fulfi and it is my privilege to begin serving you as the Realm of the Mad God Department Chairman. The position has been vacant for the past few months, so there has been little activity within the department. My ascension to Chairman will mark the end of that period of hiatus and I plan on resuming several activities within the department within the coming weeks. Amongst my biggest plans are to begin Villoux-led dungeon runs on a weekly basis. My department has positions for five Realm of the Mad God Dungeon Masters and my top priority will be getting these positions filled so that we have someone to coordinate dungeon runs each week of the month. A veteran Villouxian and former Baskerville Advisor, Dr. Pibb has already joined my staff as one of the Dungeon Masters and I am taking recommendations from any users that the House may feel are qualified to serve in this position. The main requirements are that the user has an ample number of keys to any dungeon, abyss, etc. in the game and is willing to work with our System Press Department in advertising the times at which these events will be run. For the most part, I believe we will be aiming for Saturdays since that is a day that works best time zone wise for as many users as possible, but I will be strategically hiring Dungeon Masters from our most populated regions. In addition to the System Press Department advertising these runs on forums, I will also be working with the System Commercialist, Mr. Einstein on livestreaming the runs in hopes of bringing in additional users from that outlet. I am very open to working with anyone else that streams, especially members of the House, so if you have the ability, please let me know.

Once we have the dungeon runs occurring on a regular basis, I believe that they will be our most valuable tool in recruiting new users and guilds to join our Discord server. I will be making rounds on other Discord servers and spreading word about the runs in-game in an attempt to increase recruitment. The incentive of weekly dungeon runs should, hopefully, carry weight to many of the smaller guilds and encourage them to join Villoux. Our Executive System Coder, Mr. Silent is also working with me on creating a bot for the Villoux Discord server that awards users points for being active in voice channels. These points can then be redeemed with me to receive in-game rewards such as keys and other prizes. I am very interested in hearing the House's opinion this bot, and, especially, the types of prizes they would like to see offered for being active in voice channels. With that being said, I am looking very forward to serving you as the Realm of the Mad God Department Chairman and am very happy to hear your questions, comments, and concerns.

**Transition: We will now open the floor to any questions, comments, or concerns in regard to the Realm of the Mad God Department. If you have a question, comment, or concern, please send me a private message with question, comment, or concern, respectively.**

**Transition: Seeing as there appear to be no further questions, comments, or concerns in regard to the Realm of the Mad God Department, we will now move to the system's second largest department, the League of Legends Department. Unfortunately, the League of Legends Department Chairman, Mister Hyena was unable to join me this evening, but he did request that I present this speech in his place.**

## *League of Legends Update by Mister Hyena*

What's up, House of Players? My name is Mister Hyena and I am super excited to be joining you as the League of Legends Department Chairman. "Hold up!" I hear you saying. "Wasn't Mr. Suffy just appointed League of Legends Department Chairman last month?" That he was, my friends, but I am afraid that the Grand Council voted to remove him from his office earlier this evening for failing to coordinate last month's North American tournament. That unfortunate incident aside, I am pumped that the Grand Council has offered me this position and can ensure you that my administration of the department will not hit the same bumps as Mr. Suffy's did.

Before talking about how I plan to run the department differently, I would like to first take a second to congratulate the winner of our 34<sup>th</sup> North American League of Legends tournament hosted last month, Mr. Pjxxx1128. Though I wasn't able to attend the tournament myself due to my work schedule, I heard great things from the right honorable Villoux Chief of Staff, Dr. Baskerville himself. I am psyched to start planning for our 35<sup>th</sup> tournament will be messaging all of our League of Legends department members within the next week or so to begin registration for it.

I would also just like to say that I believe the Realm of the Mad God Department has a great lead in rewarding users for staying active in voice channels and I will also be working with the Executive System Coder, Mr. Silent to develop a similar award system for my department. If you guys have any recommendations for what you would like to see the prizes as, please make them known at this meeting so I can see what Mr. Silent and I can do about it. With that being said, I hereby conclude my department update and thank all you wonderful people for your time.

**Transition: We will now open the floor to any questions, comments, or concerns in regard to the League of Legends Department. If you have a question, comment, or concern, please send me a private message with question, comment, or concern, respectively.**

**Transition: Seeing as there appear to be no further questions, comments, or concerns in regard to the League of Legends Department, we will now move to the system's smallest department, the Fortnite Department. Presenting the Fortnite Department Update is the Fortnite Department Chairman, Mr. Earl554.**

## *Fortnite Update by Earl554*

Good evening, everyone. I am honored by the Grand Council awarding me the rank of Fortnite Department Chairman and am very excited to begin my work in the department. For those of you that weren't aware, for the past month, the Fortnite Development Board has been working on making Villoux's Fortnite section ready to become Villoux's first Fortnite Department and we have managed quickly achieved this goal thanks to the great support and interest from the Villoux community. Before talking about how my department will operate within Villoux, I would like to take a moment to thank the members of the House that served on the Fortnite Development Board – the Fortnite Tournament Master, Mr. DeaFikka; the Baskerville Advisor, Mr. Qmen; the Baskerville Advisor, Mr. Steve; the Baskerville Assistant, Mr. PRPLROTMG; the Fortnite Tournament Directors, Mr. MaxxaM, Mr. Scream, Mr. Botmfeeder, Mr. Zombieslayer935, and Mr. Deviation; the Fortnite Recruiters Mr. Camcod and Mr. RecruitQEB; the System Commercialist, Mr. Einstein; and the right honorable Villoux Chief of Staff, Dr. Baskerville. I would like to give special thanks to the Executive System Art Designer, Mr. Cronus, who served as president of the FDB for the majority of its time and was really helpful in getting things started. Again, thank you to all of those amazing people and I hope that are very pleased with the result of their work!

With the formalities aside, let's talk about our department's structure. There will be three divisions in the Fortnite Department – tournaments, recruitment, and PVE. The tournament division will focus on hosting monthly tournaments in Europe and North American and offer a total of five positions as a Fortnite Tournament Director for each region. The tournaments and Tournament Directors will be overseen by a region Fortnite Tournament Master that will be at the top of their division. The recruitment division will be staffed by five Fortnite Recruiters for each of the publishers of Fortnite – Mobile, PC, PlayStation 4, Switch, and Xbox. The Recruiters will spend a lot of their time in game working on bringing in individual users as well as squads to our Discord server. It will be like a mini-Press Department within the greater Fortnite Department. The PVE division is something we are going to hold off on for now, but we eventually plan to hire a Fortnite PVE Coordinator to lead PVE events; very similar to the Realm of the Mad God Dungeon Master position.

In the next week, I will be meeting with the European Fortnite Tournament Board and the North American Fortnite Tournament Board to work with our tournament direction staff on developing the best approach for administrating tournaments. Before those meetings begin, I am very open to hearing suggestions from members of the House and would like to remind everyone that they are very welcome to join any of the Courthouse boards that serve my department. We are always looking for fresh ideas, especially since we are a new department, and welcome anyone with any ideas with open arms! With that being said, I hereby conclude the first Fortnite Department Update and look very forward to hearing from you all.

**Transition: Thank you, Mr. Earl. We will now open the floor to any questions, comments, or concerns in regard to the Fortnite Department. If you have a question, comment, or concern, please send me a private message with question, comment, or concern, respectively.**

**Transition: Seeing as there appear to be no further questions, comments, or concerns in regard to the Fortnite Department, we will end the Department Updates portion of this evening's meeting and move to the Closing Ceremonies.**

### *Closing Ceremonies as Read by Dr. Baskerville*

Good evening, my fellow Villouxians. As I am certain that you can tell from this evening's meeting, we have had a very busy month in June! As aforementioned, I would like to welcome our three new Department Chairmen to the Grand Council – Mr. Fulfi, Mister Hyena, and Mr. Earl554, and I would also like to welcome my new Executive Baskerville Assistant, Mme. Shortlylyons. Mme. Lyons will be replacing my longtime Executive Assistant, the honorable Mr. Spazproof after Mr. Spazproof felt as if it was time for someone new to step into the position. Mr. Spazproof will now be taking on the second highest role in my Cabinet as Baskerville Advisor Manager, and I consider myself extremely fortunate to retain his excellent guidance and friendship. The Grand Council and I are looking very forward to working with Mr. Fulfi, Mister Hyena, Mr. Earl, and Mme. Lyons as they begin their new positions and, again, welcome them each.

The establishment of a Fortnite Department in Villoux is a monumental occasion, and I shall be watching the department's progress with great interest. Mr. Earl has the complete support of the Chairman Committee and myself, so I am certain that will be able to meet all the goals he has outlined in his update tonight within record time.

Speaking of hard-working members of the system, I would like to thank and announce this month's Friend of Villoux. As you know, the Friend of Villoux award is a monthly award given to a member of Villoux's staff that has gone above and beyond in their respective field. It gives me great pleasure to announce that this month's Friend of Villoux is the Fortnite Tournament Master, Mr. DeaFikka. Mr. DeaFikka was absolutely instrumental in the establishment of the Fortnite Department. He held the record of bringing in the most new users to Villoux for Fortnite as well as being able to reinterest older Villoux users in rejoining the system on Discord. Through the combined efforts of Mr. Earl, Mr. DeaFikka, and the Fortnite Development Board, they have reminded me that anything is possible in our grand system. This leads me to take this opportunity to thank you – the hard-working members of Villoux's staff that make Villoux a system in which "excellence is your only option".

At this time, I will open the floor to any general questions, comments, or concerns. If you have a question, comment, or concern that did not fit into any of our previous sessions, please feel free to send me a private message with "question", "comment", or "concern", respectively.

With that in mind and in heart, I, the Right Honorable Villoux Chief of Staff, Dr. Baskerville do hereby adjourn this 71<sup>st</sup> meeting of the Villoux House of Players. Please return to your appropriate channels once you have been unmuted.
