TeamSpeak Regulations as Read by Dr. Wilson

Good evening everyone, my name is Dr. Wilson, and I will be succeeding the former Executive TeamSpeak Operator, Gooky. Unfortunately, Mr. Gooky had to retire due to uprisings in his personal life. On any account, I plan on acting just as Gooky would, and enforcing the regulations equally. I would also like to make a comment on the improved TeamSpeak traffic flow as I believe Gooky mentioned in the last House meeting that it was down by 20%. Well, I am pleased to announce that not only did we regain that 20%, but we have also increased our traffic by 10%, so overall, we have had a 30% increase in TeamSpeak traffic. Because of this, I would like to thank all of you for your valiant efforts. Well, that concludes this month's Regulatory Update, so, again, I thank you, and wish you all good luck in your system endeavors!

**** We thank you for that information, Dr. Wilson. I would like to wish you the best of luck in your reign as Executive TeamSpeak Operator! Now, would you all please join me in welcoming the Executive Press Officer, 48and87rock, to read a request from the System Press.**

System Press Request as Read by 48and87rock

Hello everyone! I would like to take this time to request that all of you assist me in helping advertise for the system a bit. In order to do so, we have developed a Facebook page for Villoux! I would therefore like to request all users in the system that have Facebook pages like our Villoux page. If privacy is an issue, do not fret as your activity on the page will not be seen by anyone. I will now post the link to our Facebook in the channel. Moving on, we have also developed a Twitch TV account for the system. This will enable us to live stream many of our system's events such as our Team Fortress 2 Tournaments, League of Legends Tournaments, and, possibly, the House of Players meetings. I would to request all of you that have Twitch accounts subscribe to our channel by clicking on the Twitch link I am posting in chat now. Well, these are my request from you, Villouxians, please assist me in any way possible! I thank you very much for your time.

**** Everyone please do be sure that you like our Facebook and subscribe to our Twitch account! Thank you for introducing those to us, 48! We will now move on to the Team Fortress 2 Update as read by our Team Fortress 2 Department Chairman, Mixizm.**

Team Fortress 2 Update as Read by Mixizm

**** Congratulations to all of our tournament winners, and good luck to those of you participating in future tournaments! Thank you for reading that, Mixizm. We will now welcome the newly appointed Forsaken World Department Chairman, Dalerawks, to read about the reestablishment of his department.**

Forsaken World Reestablishment as Read by Dalerawks

Well hi there everyone, my name is Dalerawks, and I am proud to act as the newly appointed Department Chairman of Villoux's Forsaken World Department! Despite not having much to work with, I have big plans for the department! Before I go into that, though, I feel I should briefly mention the loss of our former Department Chairman. Unfortunately, Mr. Draekrio become inactive just a few days after the last House meeting, and no one has been able to contact him since. Due to that, the Grand Council decided to demote him. On any account, I plan on starting a Villoux-based guild and recruiting members as soon as possible. I look forward to reporting my updates next month! Thank you all, and good night!

**** Well, thank you for that Mr. Dalerawks! Good luck to you and your department. We will now welcome Ms. April to inform us on the reestablishment of the League of Legends Department.**

League of Legends as Read by April

Good evening everyone, I am the newly appointed League of Legends Department Chairman, April. I would first of all like to thank the Villoux Grand Council for honoring me with this position, and secondly thank my current League staff that has been very supportive and helpful! Well, one of my first acts as the newly appointed Department Chairman is the establishment of the monthly League of Legends tournaments! Much like the Team Fortress 2 Tournaments, League of Legends will now begin to offer tournaments free to all Villoux users to join! In order to do so, merely contact either myself, or one of my League Tournament Directors. Now, unfortunately, this month's League Tournament's roster is completely full, so any users wishing to apply will have to wait until next month! As far as all of the users that have already applied go, I would like to wish you good luck! And as a final reminder, the tournament will be held on September 1st at 8PM US Central. Thank you all for your ears! I hope I won't disappoint!

**** Everyone please do be sure that you like our Facebook and subscribe to our Twitch account! Thank you for introducing those to us, 48! We will now move on to the Team Fortress 2 Update as read by our Team Fortress 2 Department Chairman, Mixizm.**

Team Fortress 2 as Read by Mixizm

**** Thank you for that update, Mr. Snozzy. I look forward to seeing your department expand. We will now move on to the Garry's Mod Department Chairman, WbTrex to read us an update on his department.**

**** Thank you very much for that information, Trex! I wish you, your staff, your staff, and WBA much luck! Now, please help in welcoming the Terraria Department Chairman, Virtus, to read us an update on his department.**

Terraria Update as Read by Virtus

**** Thank you for that update, Mr. Virtus. I do look forward to watching the Terraria Department grow and expand! Now, if you would, please assist me in welcoming the honorable Villoux Chief of Staff, Dr. Baskerville, to read the Closing Ceremonies.**
