

## **FRIEND OF VILLOUX RECIPIENTS**

The Friend of Villoux award is a monthly award given to a member of Villoux's staff that has gone above and beyond in their respective field. Its recipients are amongst the most respected staff members in the system and deserve recognition for their dedication, loyalty, and devotion to the excellence of the Villoux Server System.

Prior to each House of Players meeting, each Department Chairman and Executive sends a recommendation from their department to the Chief of Staff to be considered for Friend of Villoux. Grand Council Members may not nominate themselves or other members of the Grand Council. The Chief of Staff then reviews all recommendations and selects a winner. Along with announcing the winner, the Chief of Staff will also acknowledge some of the other nominees for their hard work.
