House of Players Voting Docket

The following document contains the voting history of the Villoux House of Players. Votes may be called to order for a variety of reasons, all of which are outlined in the House of Players Ordinance. The member's name that is bolded denotes the member which called the matter to a vote.

There are five voting options in the House of Players – “In Favor”, “Opposed”, “Abstained”, “Non-Voting”, and “Absent”. Members that vote “In Favor” wish for the proposed item to pass, Members that vote “Opposed” do not wish for the proposed item to pass, Members that vote “Abstained” have no opinion on the item, Members cast as “Non-Voting” were either excused from the meeting or ineligible to vote on the item, and Members cast as “Absent” were not present at the meeting at which the item was voted.
