

Radio Villoux Ordinance

This Ordinance States:

Effective May 2012

This ordinance hereby designates the Radio Villoux division of the System Press Department as the official sponsor of Villoux's radio-themed event, Radio Villoux. Radio Villoux DJs will be granted a category channel on Villoux's Discord Server in which events will take place. Radio Villoux will go live after certain Villoux events to give users an opportunity to mingle with one another. Radio Villoux will also be live the first Friday of every month between the hours of 6:00 PM and 10:00 PM CST. Radio Villoux DJs may play music at unscheduled, informal events, but they must still comply with the guidelines set forth by this ordinance.

Section 1 - Radio Villoux DJ Permissions on Discord

Rythm Clause

Effective May 2018

Radio Villoux DJs will employ the use of the Radio Villoux DJ Bot on Villoux's Discord Server in order to play music. Radio Villoux DJs and Villoux Grand Council Members will be the only users with access to use the Radio Villoux DJ Bot. The commands for using the Radio Villoux DJ Bot can be found on Villoux's website on Villoux's Discord Server's webpage.

Wrench Clause

Effective July 2019

The Radio Villoux DJ Bot may only be used in the Radio Villoux voice channel under the Radio Villoux category on Villoux's Discord Server, in the user private channels of Villoux Grand Council Members at their request, and in the House of Players voice channel prior to House of Players meetings.

Quarkk Clause

Effective July 2019

Users using the Radio Villoux DJ Bot must adhere to all clauses within this ordinance and the Discord Ordinance when employing the use of the Radio Villoux DJ Bot, e.g. they are not permitted to play music which would violate the Discord Ordinance.

Section 2 - Radio Villoux Events

DuXaaa Clause

Effective May 2019

System officials may request a Radio Villoux event after a system event such as tournaments or meetings. One week's notice should be given to the Radio Villoux DJ Manager to ensure the necessary preparation and scheduling can be completed for the event. All normal rules apply to these special events.

House of Players Clause

Effective May 2019

A Radio Villoux event will occur after every regularly scheduled Villoux House of Players meeting, pursuant to the Biko Clause of the House of Players Ordinance. The master of ceremonies for the House of Players meeting should remind the staff members in attendance at the meeting about the event in the closing ceremonies.

DinoEme Clause

Effective May 2012

Users are encouraged to sing karaoke at Radio Villoux events. Users who wish to karaoke must ensure they have a clear background free from mic. spam, are familiar with the song they wish to karaoke, and can sing loudly enough to be heard. Users may karaoke with however many partners they desire.

Should the user use this opportunity for anything but singing, the DJ is to request a Discord Operator ban the user for “Trolling”. Once the song is over, all users should re-mute their microphone. Users that have proven to be disruptive in the past may be denied the right to karaoke.

Biko Clause

Effective February 2019

Users will be allowed to use voice chat during Radio Villoux events, except when another user is recognized to sing karaoke. During the time at which the user is singing karaoke, no other user is allowed to use voice chat. Users in violation of this clause will be moved out of the Radio Villoux voice channel and risk being banned by a member of the Discord Operation Department if they continue to violate this rule. It should be clearly noted this rule only takes affect when a user is formally recognized to karaoke; simply using voice chat to sing along to a song does not equate formal recognition of karaoke.

Dr. Baskerville Clause

Effective May 2012

System Officials may use Radio Villoux as a means of interacting with users and making announcements. In order to reserve Radio Villoux for a meeting, interview, or question and answer session, the interested system official must contact the Radio Villoux DJ Manager, Executive System Press Officer, or the Chief of Staff. Any of the abovementioned events that are set to occur during a Radio Villoux event may not exceed half an hour.

The movie will be streamed via browser by the Radio Villoux DJ Manager or the Executive System Press Officer and a link to join the stream will be posted in #villoux_announcements on Villoux's Discord Server when the screening begins. Should a user allow it to become public knowledge that he or she is inebriated, said user will be removed from the event. If the user returns after being removed, the user is to be issued a ban for "Refusing to Cooperate". It should be noted the A&SRoofing Clause of the Discord Ordinance extends bans while under the influence of alcohol to drugs to eight hours opposed to the regular ban time.

Effective April 2019

As in accordance with the Wrench Clause of the Discord Ordinance, Radio Villoux DJs who register to host a Radio Villoux event but do not attend the event will be charged with “Truancy” and punished on Villoux’s Discord Server in accordance with the Elly Clause of the Discord Ordinance.

Only one Radio Villoux DJ will be allowed to select an option (e.g. if a Radio Villoux DJ selects 6:00 – 7:00 PM, no other Radio Villoux DJ will be allowed to select this time). The time zone should be set as USCST, known as “American Chicago” on Doodle Poll. Finally, the poll settings should limit the number of votes per option but hold no other restrictions. The link should also be sent to the Discord Operative Manager to distribute to Discord Operators to ensure at least one is present for each time slot.

Once the advertisements have been approved, they will be displayed on Villoux's website under the User's Forms page. It is the duty of the Radio Villoux DJ Manager to ensure each Radio Villoux DJ uses an updated copy of the advertisements.

Nexemonsta Clause

Effective January 2015

During Radio Villoux's events, at least one Discord Operator should be patrolling the Radio Villoux category throughout the official duration of the event. The TeamSpeak Operator on staff should ensure that the Discord Ordinance is being enforced at all times. It is the duty of the Radio Villoux DJ Manager to coordinate with the Executive Discord Operator to ensure a Discord Operator is on staff.
